

SERVICE PLAN AGREEMENT

Name: _____ START Date: _____/_____/_____

Address: _____ City/State: _____

ACCOUNT # _____ EMAIL: _____

All American Purification has inspected your property's water treatment equipment and tested your well and or municipality water to place your home or business on one of our service plans listed below. The listed Service Plans are tailored to maintain your equipment per manufactures specification as well as meet your household water quality needs. At any time during our agreement if you find that water quality is not to your liking please contact office at 941-483-4426 to inform us of issues as water quality problems are not always found during routine service. During the term of your service agreement WE are willing to extend terms of payment by 15 days for immediate repairs found while on route. By signing below you have authorized All American Purification to provide such repairs up to \$100. Repairs above this amount will not be performed unless notified and approved by property owner. During route service labor rates will be billed at \$1 per minute if problem can be resolved within a standard service call not to exceed 45 minutes. If additional repairs are required for return service standard labor rates apply at \$85 for the first \$45 minutes and \$1 thereafter. Discounts while under service agreement receive 7.5%off parts or equipment and NO OVERTIME FEES.
